ARIZONA DEPARTMENT OF HEALTH SERVICES
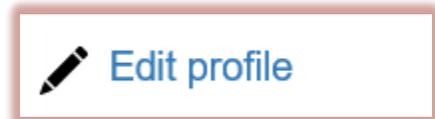

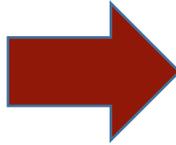

https://password.azdhs.gov

<mark>By visiting the site and entering in profile questions</mark> users can validate themselves and service their password directly without having to contact the Help Desk.
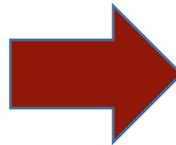

How to setup your profile questions

- Surf to https://password.azdhs.gov
- Choose the second option **Edit Profile**, in the menu
- Enter in your username and password
- Choose two Questions to answer and make up the third question completely.

✏ Edit profile

When to use

Anytime your password is set to expire, your account is locked out, or you cannot remember your password.

Forgot your password ➡ 👤 Reset Password

Your password is expiring ➡ 🔑 Change Password

Your account is locked ➡ 🔒 Unlock Account
